Re: C00075820 - Comprehensive Amendment Report (1/1/95-12/31/95)  
- Comprehensive Amendment Report (1/1/96-8/31/96)

Dear Ms. Wall:

In your recent letters dated April 16, you requested clarification regarding certain information reported by the Committee on Schedule H4 for the above mentioned reports.

- You have stated that the Committee should clarify disbursements itemized with the description "Meeting Expense" on both the 1995 Comprehensive Amendment Report (1/1/95-12/31/95), and the 1996 Comprehensive Amendment Report (1/1/96-8/31/96). After reviewing CFR 104.3(b)(3), we believe that this description, which the NRCC has consistently used for at least the last ten years, does qualify as an acceptable description in the same vein as "Travel Expenses," and therefore, no further description need be provided. However, in an effort to assist your analysis of the reports, when the term "Meeting Expense" is shown on Schedule H4 it is referring to fundraising meeting expenses, and when it appears on Schedule B supporting Line 21B, it is referring to political meeting expenses.

- You also requested that the Committee clarify "Do Not Use" as a description on Schedule H4 for the 1995 Comprehensive Amendment Report. After careful review of the report, we are unable to find any disbursement with such a description.

- You have requested clarification for all expenditures made for "Media Production" and "Media Placement" on Schedule H4. All expenditures on Schedule H4 made for "Media Production" or "Media Placement" are related to the administrative operation of the NRCC studio facility, and they do not represent expenditures made on behalf of specific candidates.
